About the JIMS Group

JIMS Group was founded by Late Mr. Jagan Nath Gupta, an eminent philanthropist of his time. Thereafter, Dr. Amit Gupta continued with this rich tradition of the Group to impart quality and affordable education for the common good of the people under the aegis of Jagannath Gupta Memorial Educational Society, a registered non-profit organization. The society has been making uninterrupted efforts to achieve its objective that standard of living can be improved through the process of education. Over the last six decades, JIMS Group of institutions has been actively involved in quality dispensation of technical, professional and higher education on pan-India basis. The Group has also been credited for earning a very high reputation in Management Studies at National Level. JIMS has become a glowing reputed brand in the country. It has become the first choice of the aspiring students of different streams in NCT of Delhi. Institutions of the group are producing Gold Medalists in different disciplines of education. The foresighted vision, sense of mission and passion of JIMS have been getting reflected through the opening of its new campuses across India in such a short period of time. The quality imparted by JIMS group of institutions has diminished the geographical boundaries for obtaining the finest education in the motherland.

About JIE, JEMTEC

Jagannath Institute of Education (JIE) is a newly established department at JEMTEC Greater Noida campus under the visionary planning and dynamic leadership of honorable Chairman Dr. Amit Gupta. The Group is proud to be successfully running Jagannath Institute of Education, approved by National Council of Teacher Education (NCTE). **JIE** is offering a 2-Year B.Ed. programme affiliated to **Guru Gobind Singh Indraprastha University, Delhi**. JIE is a very well admired destination of B.Ed. course in the last three years. JIE has established itself a reputed centre of teacher preparation with ample of resources. It is fully geared and well equipped to train the future teachers. The department has highly qualified and well experienced faculties from renowned universities of the country. They all are very much alarmed with the concept of reflective teaching practices and updating of any educational dilemma. The department is highly concerned with research activities and also publishes *Bi-Annual Peer Reviewed Journal* with ISSN number. To maintain the esteemed status of JIMS group of institutions, our Education Department is very much particular towards the placement activities. The record of the placement in its very first batch is remarkably encouraging. Many of our student-teachers have been placed in schools of repute with lucrative salary packages. Some of the branded and popular schools are; St. Teresa, Jesus Marry Convent, Ascent International, Vidya Bal Bhawan, and Kaushalya World School etc.

JEMTEC G. Noida campus is a sprawling green, self-sufficient, spacious and extraordinary architected indoor & outdoor facility. The Greater Noida Campus also offers B.Tech. Degree programmes in Computer Science, Electrical Engineering, Electronics & Communication, Mechanical Engineering and Civil Engineering, BBA, BCA, B.A.LLB & B.B.A.LLB.

The society has set up high quality educational institutions such as; Jagannath International Management School, Kalkaji, New Delhi; Jagannath International Management School, Vasant Kunj, New Delhi; JIMS Engineering Management Technical Campus, JEMTEC, Greater Noida, U.P.; Jagan Institute of Management Studies, Institutional Area, Rohini, Delhi; Jagannath Gupta Institute of Engineering & Technology, Sitapura Industrial Area, Jaipur; Jagannath University, Tehsil Chaksu, Jaipur; Jagan Institute of Management Studies, Sitapur Industrial Area, Jaipur & Jagan Nath University (JNU), Bahadurgarh, Haryana.

About The National Conference: It is a premier conference which is going to be organized on Feb-03, 2018 at JIE, JEMTEC, JIMS Engineering & Management Technical Campus, Greater Noida, U.P, India. The National Conference on “**Quality Enhancement in Teacher Education**” aims at bringing together the teacher educators, researchers, research scholar, academicians and students in the areas of Teacher Education. It provides a National forum for the dissemination of original research, innovative ideas and experiential knowledge which concentrate on both theory and practices.
