The BBA Department of JIMS Engineering Management Technical Campus, Greater Noida organised a Mentoring Session on Saturday, 13th March, 2021. Mr. Aditya Bose, CEO & Founder, Probano mentored the final year students and shared his view of life them and sorted their basic personality issues.

Dr. Rashi Gupta, Assistant Professor, BBA welcomed the guest and thanked him for accepting the invitation.

Mr. Bose began the mentoring session with brainstorming questions like “Why do we live?”, “What is the purpose of life?”, “Do you enjoy what you do?”, “Why have you joined BBA, B. Com (H), BCA or the particular course?”, etc.

Students came up with their view points on these questions and he handled the situation in such a manner that students answers and the questions he raised were self-explanatory and helped students to move on a right path.

He expressed his thoughts with illustrations from his own life. How he reached the point in his successful journey, establishment of startup, its survival to its success. He explained in detail from the identification of societal problems to its solution catered through his startup. It was really idealistic for the students to hear from him. He also touched certain points on the philosophy of life.

Dr. Shubh Arora, Assistant Professor, B. Com (H) gave vote of thanks and expressed gratitude towards the guest for giving his valuable time to the students. Dr. Rashmi Gupta, Assistant Professor, BBA coordinated for the event to be a success. Mr. Bose answered all the questions of the students diligently. The mentoring session was highly, informative, practical, needed and interactive for all the students.
