The BBA Department of JIMS Engineering Management Technical Campus, Greater Noida organized “External Mentor Mentee Session” for the Final Year Students of BBA, B.Com and BCA Students.

Mr. Aditya Bose started the session by taking questions from the students. He started with **“Industrial Revolution”** and its impact on the society. He also focused on the types of skills to build in 21st Century. He created awareness among students about the scope of their subject in the professional world. He motivated everyone that how to be successful in life and how to use each day as an opportunity to improve and to be better. He addressed the students with his valuable experiences and suggestions. He also gave light on the predicted interview process in the next decade. The session was very influential and very motivating. In the end, he answered all the questions that students asked in the beginning. Students really like to attend his session in future also.

The event is ended with a vote of thanks by Ms. Bipasha Chabbra student of BBA Final Year. Overall, the event was a great success.
