## Event Report

Seminar on “INNOVATIVE PARADIGMS OF MACHINE LEARNING & IOT IN HUMAN LIFE” was organized by BCA Department. The session was conducted by Dr. Shruti Kohli, Dr. Mohammad Ayoub Khan & Dr. M.

Session was conducted via zoom app. All the speakers addressed all the students with their views. In this session students come to know about the technical advancement in machine learning and Iot (Internet of Things). Students also get the information about the influence of these technology in our life. Students learn a lot from this session.

**Overall, it was a very great event.**
