### Students of JIMS Visit AajTak Studio, Attend 'Halla Bol' Show

Students from the Department of Media and Communication Studies at JIMS Engineering Management Technical Campus had an insightful and enriching experience during their visit to the AajTak studio in Noida on January 17, 2025. The purpose of the visit was to attend the debate show 'Halla Bol,' hosted by the eminent journalist Anjana Om Kashyap.

The visit was organized to provide practical exposure to students about live television production and political discourse, and it proved to be highly engaging. The show, which has a massive viewership across the nation, was divided into three sections of 40 minutes each.

Nikita Shukla, a second year student asking question from Aam Admi Party representative

The first two sections of the program focused on the Delhi Assembly Polls, analyzing key issues such as governance, party manifestos, and the public's expectations. Eminent political analysts and spokespersons from major political parties participated in the heated debates, providing insights into

the electoral strategies and concerns surrounding the upcoming elections. The discussions were intense and highlighted diverse perspectives, keeping the audience captivated.

A first year student, Shreya Srivastava asking question from spokespersons of different political parties

The third segment shifted focus to the Mahakumbh, delving into the cultural, spiritual, and logistical aspects of this grand religious congregation. The conversation brought forward discussions on the significance of Mahakumbh in Indian heritage, preparations for the event, and its impact on the tourism sector.

Students with star Anchor of AajTak, Ms Anjana Om Kashyap

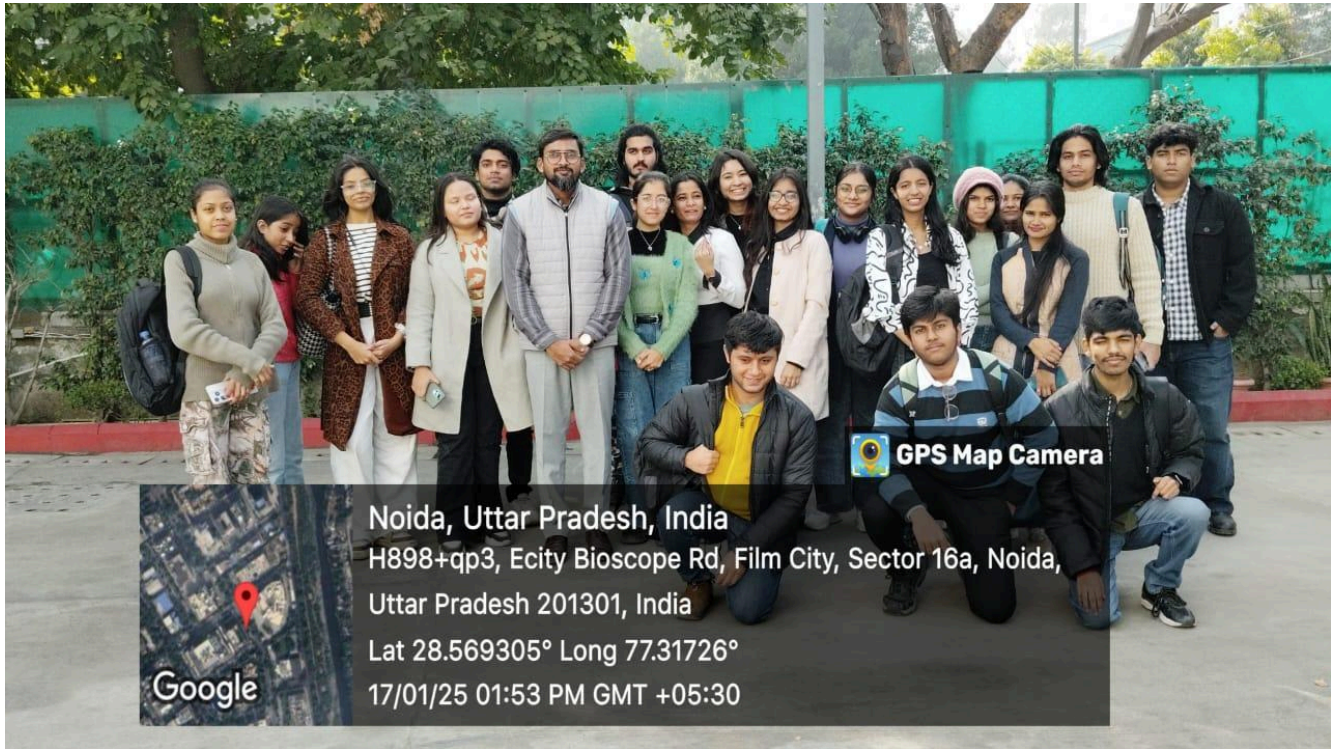

Second year student, Meet Anand asking question from spokespersons of different political parties

Throughout the show, Anjana Om Kashyap's charismatic anchoring and sharp questioning kept the discussions dynamic and engaging. Her ability to navigate complex topics with ease and encourage meaningful debates left a lasting impression on the students.

Post the recording, students had an opportunity to interact with the production team and gained valuable insights into the behind-the-scenes workings of a live television show. They observed the technical aspects of camera handling, sound management, and overall coordination required to deliver
