Event Report

A Seminar was organized for BCA IIIrd and Vth on Cloud Computing. This session was conducted by Vatsala Singh, Cloud Solution Architect, Microsoft.

Webinar was conducted via Zoom on 07/12/20. The Webinar started at 2:30pm in which the speaker, Ms. Vatsala, talked about Cloud Computing and its different aspects. It was an interactive session. The speaker talked and discussed various examples of Cloud Storage and how data is actually stored and managed in Cloud. The speaker also discussed the Career Aspects related to Cloud Computing. The students also got their queries answered as well. In the end, TheHod, Dr. Ruchi Agarwal Delivered Vote of Thanks.

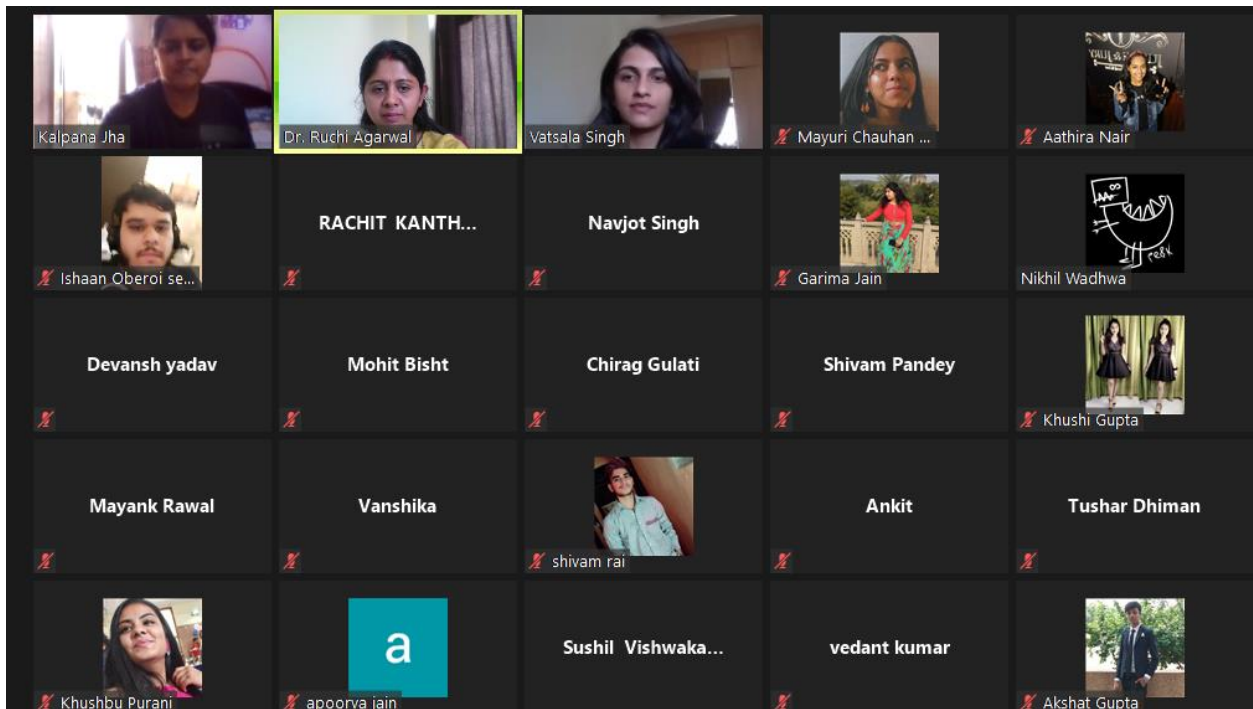

Overall it was a very interactive and informative session.
