Outcome of the event:

Students learnt about what is a judgement writing skill. Judgment is the statement given by the Judge, on the grounds of a decree or order so students went through those grounds and reasons of judgment. Now they are able to write a judgment It is the end product of the proceedings in the Court. The writing of a judgment is one of the most important and time consuming task performed by a Judge. Students also become aware about making and the writing of a judgment and the style in which it is written, as it varies from Judge to Judge and reflects the characteristic of a Judge.
