The event started with HOD BCA Department, Dr. Ruchi Agarwal welcoming the guest with a sapling and momento. The guest lecture was on the topic “Domain of Technologies”. As the technology is emerging day by day, new technologies are coming quickly. The Speaker updated the students with the technologies and provides the latest information about the things which are happening in science and technology. There was a wonderful interactive session where the audience interacted with the speaker clarifying their doubts and asking interesting questions. BCA 1st, 2nd and 3rd year students attended the guest lecture.
