**Venue** : EXPO MART Greater Noida

**Conducted by (Resource Person):** Mr. Shiv Kumar

**Designation:** HOD, Civil Engineering, JEMTEC Greater Noida.

**Company** : EXPO MART Greater Noida

## **Report:**

An Industrial Visit to EXPO MART for “Exhibition of Engineering equipments” was organized by Department of Civil Engineering on 27<sup>th</sup> Sept 2019, for B.Tech Civil Engineering students (3<sup>rd</sup> year). Students reached the site by college transport at 12:00 noon where they were briefed about the rules to be followed at the site. The students were taken to the building where the activities were discussed which are involved in Construction Projects where the magnitude of the work is on a large scale, Speedy Work and Timely Completion of Work with Quality Control are very vital. In order to achieve this, Mechanization of Work has to be done, where Construction Machinery & Equipment play a pivotal role

They were told about the various Equipments used for each activity, that can be used for a better efficiency of the construction. Also they learned about the various new technologies that is being used in the industry.

All of the students had a very interactive session where they enquired about everything they saw at the Exhibition with great curiosity and embraced the opportunity to gather more knowledge.

This exposure was very beneficial to all as it helped us to relate our theoretical knowledge to the practical one. After visiting the industry, the students were more concerned about their future and the type of job they will be interested in.
