Date: - September 12th & 26th, 2019

Time:- 10:00 AM to 14:30 PM

Attended by: - BBA IInd year Students

Venue: 4th Floor, Jeevan Vihar Building, Parliament street, New Delhi

31 students of BBA IInd year went for an industrial trip to National Stock Exchange of India Ltd Delhi on 12th September and 27 of them visited on 26th September, 2019. The National Stock Exchange of India Limited (NSE) is India's largest financial market. Incorporated in 1992, the NSE has developed into a sophisticated, electronic market, which ranked fourth in the world by equity trading volume in 2015.

Students were briefed about the history of the stock exchange. They were also given information about the working of the stock market through a presentation which was very informative. The integrated business model of NSE comprising of exchange listings, trading services, clearing and settlement services, market data feeds, technology solutions and financial education offerings was described.

Students were also provided with detailed information about the various investment options available and how the exchange conducts transactions in the wholesale debt, equity, and derivative markets. The session was highly interactive, all the queries were very well handled by the resource person.

Later, all the students were given refreshments. Overall it was an educating-cum-learning experience for the students. A special gift was extended to the resource person by the coordinating faculty on behalf of JEMTEC.
