Department: JEMTEC, School of Law

Date: 11/10/19

Venue: Moot Court Hall, B Block JEMTEC

Course: BBALLB & BALLB VII Semester

Report Date: 12/10/19

REPORT

Objectives of the event: Symposium on “*CYBER CRIMES, CYBER SECURITY AND PRATICAL IMPLICATIONS OF CYBER LAW*” was organised by JEMTEC, School of Law for the students of BBA LL.B. and BA LL.B. VII Semester in order to acquaint the students with the practical aspect of cyber crimes which forms a major part of their subject Law and Emerging Technology. Two Panelists were invited for the event namely, Dr. Arnold Harvey, who is an advocate practicing in Supreme Court of India and Delhi High Court and Armed Forces (Principle Bench) Tribunal, Delhi and the second panelist for the event was Mr. Saurabh Vickram Singh, Senior Inspector Special Task Force, Noida, Uttar Pradesh.

Event was organized to have an interactive session between the students and the panelists about the various types of cybercrimes which can range from security breaches to identity theft and other cybercrimes which includes crimes like pornography, cyber-stalking, harassment, bullying and other such crimes committed in cyber space. Students were also told about the various precautions that they can take in order to avoid falling prey to various cyber crimes.

Outcome of the event:

1. Students learnt about the various cyber crimes that are being committed by using cyber space.

2. Students learnt about the various precautions that they should take in order to avoid falling prey to various cyber crimes.
3. Students learnt about the practical difficulties involved in investigation of cyber crimes and how the investigation is under taken.
