Report Date: 25th Feb, 2020

REPORT

A seminar was conducted on 25.02.2020 by Mechanical Engineering Department on the topic “Career options & Opportunities for Under Graduate Students (India vs. Abroad & Govt. Job vs. Corporate Job)” for Second Year, Third Year & final Year students. Dr.Devendra Jha(HOD,ME) welcomed our Guest Mr.Ramanuj Mishra, Expert Trainer in Competitive Technical Exams like ESE, GATE since 2010 in Collaboration with Career Launcher, Greater Noida with bouquet and explained the importance of this session for the students who are willing to Join PSUs after their graduation. Around 100 students took part in the seminar. Expert from Career Launcher Mr.Mishra was invited for an Expert talk on how to gear up their journey for those competitive exams. The seminar was aimed for engineering students to create awareness about competitive examination and career guidance. All the faculties of Mechanical Engineering Department were present during the seminar. The speaker firstly introduced about the Career Launcher Academy and then he gave the technical perspective of the importance of training under guidance of renowned faculties. The classroom Training Programme which has been designed especially for Mechanical Graduate students will give the students insight depth knowledge of all the subject they have been taught. He also cited about the importance of market Job Scenario. The various courses which were discussed in the session were ESE Preparation, GATE Preparation, PSUs preparation etc. All these courses are job very helpful to Crack those competitive examination. He also explained with presentation on the specially designed syllabus for Mechanical Engineering students. The session was very informative. At the end of the session the students were given a token of thanks by handing a Handbook on General Knowledge. The session lasted for 2 hours. It was concluded with a vote of thanks by Mr.Manash Dey (Asst Prof.,ME).

Some of the picture of the seminar are as follows.
