Event Report

The event started by presenting a sapling to the speaker Mr. Mohd Afzal, by Dr. Ruchi Agarwal, HOD-BCA Department.

In order to establish a true programming culture this workshop was organized. BCA 1st, 2nd and 3rd year students participated in the workshop. The session started with a puzzle problem discussion followed by more elaborate discussions, queries and peer views sharing. A Competition was also held in order to measure the real-time problem solving skills of the students. At the end of the session, students became aware of several terminologies including code programming, hosting, learning and practicing online contests. Overall, it was very informative as the attendees got an opportunity to update their knowledge in the area of competitive learning and coding.

Total number of students: 65 (M) 42 (F) 23
