

Event Title: Workshop On Mean Stack (Hands on)

Department: CSE

Date: 11th October 2019

Venue: Computer Lab-2, AB-1, JEMTEC, Greater Noida

Resource Person: Mr. Sumit Kumar

Designation: Web Development & Training

Company: CETPA Pvt Ltd, Noida, U.P.

A workshop was organized for CSE students with the objective to make students aware of power of Mean Stack (MS) and domains where Mean Stack (MS) is useful. Explore the MEAN like MongoDB, Expression, Angular and NodeJS. Mr. Sumit guided students regarding how to make our websites using MS. MS is very useful in the design of effective websites. He informed students regarding jobs and future demand of MS professionals. Students attended and practiced how to use Mean Stack in the websites.

Workshop (Hands on) on MS covered the following topics:

- Introduction to Mean Stack.
- Discussion about MEAN(MongoDB, Expression, Angular, NodeJS)
- Applications of MS.
- Jobs opportunity in the field of Mean Stack.
