

DEPARTMENT OF COMMERCE

The event commenced with a welcome note by the anchor Ms. Kareena Sethi, the student of fourth semester of Department. She introduced the guest speaker and described her achievements. Ms. Saathi Mukherjee was invited upon the stage and greeted with a planter on behalf of the department by Hon. HOD Dr. Shaily Saxena. Then Ms. Saathi started the session with a brainstorming of the students by asking them about their knowledge on the terms “Soft Skills” and “Verbal Skills”. She then explained the importance of developing good communication skills among the students. She discussed with the pre – final year and final year students the skills that are expected on the part of graduating students in the industry, namely: problem solving, time management, teamwork, analytical skills, research skills, adaptability, empathy and leadership. Then in the next part of the session some inspiring videos were shown to the students from their daily lives to understand the importance of all the skills discussed. After watching the videos, the students identified the most important skill required is “Emotional Intelligence”.
