FOOD, SAFETY AND STANDARD MAINTENANCE COMMITTEE

Faculty-in-Charge: Mr. Chadra Shekhar Singh (Assistant Professor, B.Tech., ME) *Chadra Shekhar Singh*

Members: Mr. Nitin Tyagi (Assistant Professor, B.Tech., EC) *Nitin Tyagi*

Mr. Shekhar (Assistant Professor, B.Tech., CSE) *Shekhar*

Dr. Rehman (Assistant Professor, Law) *Rehman*

Charges of the Committee for Food Safety:

The Food Committee meets to discuss different aspects of campus dining. As topics arise, the Food Committee makes suggestions for improvements that can be made in those areas. Recent topics this group has discussed include pricing of food, quality of ACDC food, and increasing healthy eating options at Vassar

Charges of the Committee For Safety:

1. To conduct meeting regularly to discuss the safety and security measures taken at the college campus.
2. To make sure that all the labs in the college are provided with handy Fire Extinguishers, smoke detectors and First Aid Kits.
3. To ensure that fire extinguishers and smoke detectors in all the labs are checked periodically once a month for proper operation.
4. To make all faculty and the technical staff of the departments fully aware of the safety norms being adopted.
5. To ensure that Safety procedure instruction sheets are provided in all the labs and the Lab instructions make sure that every students goes through these procedures at the beginning of every semester.
6. To conduct regularly an inspection tour of all the department labs to find out the availability and functioning of all the essential items in the lab as far as the safety and security measures are concerned.
