BYTECODE, BCA Technical societ, conducted a full day event named as Techathon on October 15, 2019. BCA 1st, 2nd & 3rd year students participated in the various events conducted on that day. The inaugural session started at 9:30 am on October 15, 2019 with a brief introduction about Techathon by **Dr. Ruchi Agarwal, HOD-BCA department.**

A variety of general technical events like Tech Quiz, Code War, Design Freaks, Innovation and You, Poster Mania were organized at various venues in the campus.

Tech Quiz was all about the technical questions .This event comprised of 3 rounds.

Code War, this was entirely a programming contest which comprised of languages like C and Data structures.

Poster Mania, this event was to make posters related to latest technologies.

Design Freaks, students participated with full joy and vigour, to develop websites and to showcase their designing talents.

Innovation & you, students came up with some brilliant and new ideas in this event. The winners and runners up of the events were presented with merit certificates and prizes. It was a great success with overwhelming students participation.
