The N.C.E.R.T. visit to the first year B.Ed. students was conducted on 11<sup>th</sup> March 2022 under the guidance of Dr. Isha Varshney and Mr. Pawan Mishra. The visit gave an insight to the students regarding the innovations and the importance of technology in teaching learning process. The program initiated by Ms. Deepti and introduced to Mr. Abhay Kumar and Pramod sir who gave detailed ideas to the students of what technology actually is, what are the misconceptions regarding the technology and how it will be helpful in the coming generations. All the students reported the CIET by 9:30 AM and with well-maintained dress code and decorum. The students were so keen and interested to learn and ask their quires to the respected instructors. There was an active participation in the spot puppet show by our students. Within the limited time they were asked to perform and they enacted well and a good appreciation was received by Pramod sir.

Different integrated courses, their need importance and relevance were made aware to the students and the level of improvement in teaching methodologies through technology was demonstrated by the sir. Then students were taken for a visit of the recording studios and made the relevance and the methods of recording and the room in which all the recording work is initiated.

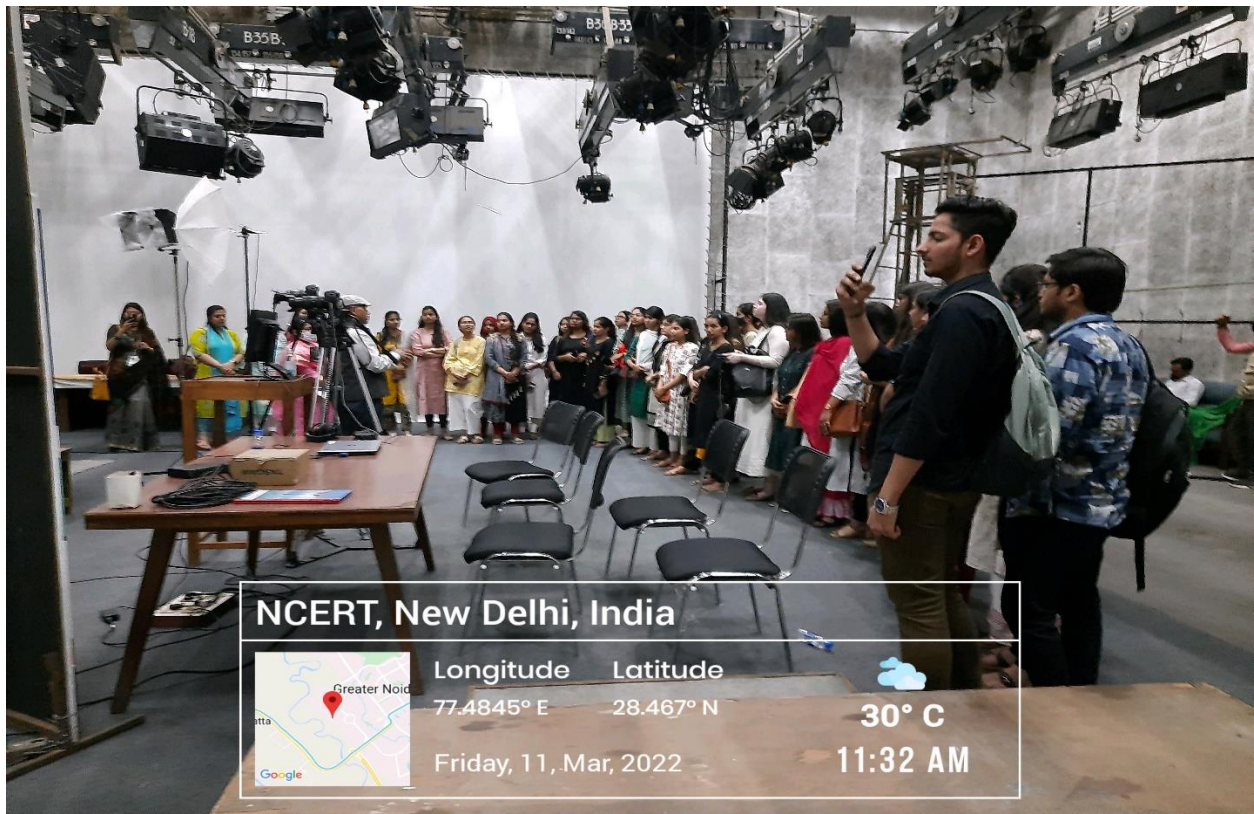

The planning to the publishing all the process was seen by the students and almost received the over all performance. The students were happy to visit and know more about the teaching grounds.
