

Department: CSE

Name of the event: ADHYAAY 2026 - A Journey Through Bollywood (2000–2026)

Date: 24-03-2026

ADHYAAY 2026 was organized by NAVRAS, the cultural society of the Department of Computer Science and Engineering, JEMTEC on 24th March 2026. The event was conceived as a celebration of Bollywood from 2000 to 2026, capturing the evolution of music, fashion, and performance styles over the years. It aimed to foster cultural appreciation and provide a platform for students to express their creativity through art and performance. Hosted at the JEMTEC Auditorium, the event featured a series of captivating segments including Sargam (Singing), Adaah (Modelling), and Taal (Dancing). Each segment offered participants the opportunity to showcase their talent, confidence, and individuality while drawing inspiration from different eras of Bollywood. ADHYAAY 2026 reflected the institute's commitment to nurturing holistic development by encouraging artistic expression alongside academic excellence. It served as a vibrant platform for collaboration and creativity, celebrating the collective spirit of the student community.
