

Department: CSE

Name of the event: AIDS awareness Program

Date: 17-03-2026

The Department of CSE organized an event on “AIDS Awareness” on 17th March 2026 from 11:30 AM onwards in Classroom No. 214B.Tech – CSE, JEMTEC – Greater Noida. The session was conducted by Ms. Neda, faculty member, with the objective of educating students about HIV/AIDS, its transmission, prevention, and the importance of compassion toward those affected. The program aimed to raise awareness among college students about the realities of HIV/AIDS, break common myths, and promote safe practices. It also focused on eliminating the stigma surrounding the condition and encouraging responsible behavior and regular health checkups, especially in the context of youth and campus life.
