Introduction:

Commerce Club of Department of Commerce -B.Com (H) organized a “ **Budget Conclave** ” on 13th February, 2025 from 11:00 a.m. onwards.

Description of the Event:

Report on the Budget Conclave

On February 13, 2025, the Budget Conclave was held at the college seminar hall with enthusiastic participation from students,. The conclave was centered around the analysis of the budget announced by Finance Minister Nirmala Sitharaman for the year 2025. Students were divided into teams and assigned different industries to research. These industries were diverse, ranging from healthcare and agriculture to technology and infrastructure.

The Event Structure

The event began with an opening note by the event coordinator, where the agenda was outlined. Following that, each of the 12 speakers, one after another, took the stage to present their findings on their respective sectors based on the research conducted by their teams.

Each speaker delivered a comprehensive analysis of the budget allocation for their assigned sector, focusing on the key announcements made by Nirmala Sitharaman. They highlighted the expected benefits, challenges, and limitations associated with the budget's impact on their specific industry.

The speakers presented data, charts, and trends, supported by the research they had gathered. Their presentations ranged from discussions on healthcare funding to debates over the impact of technology sector policies. The research teams, who had provided the foundational data, stood behind the speakers, adding credibility to their speeches.

Interactive Sessions

In between each speech, students in the audience participated in interactive sessions. An MCQ quiz related to the speech was conducted after every presentation, allowing the audience to engage with the content and test their understanding of the budget's implications. These quizzes were an excellent way of reinforcing the knowledge shared by the speakers while fostering active participation.

Recognition of Excellence

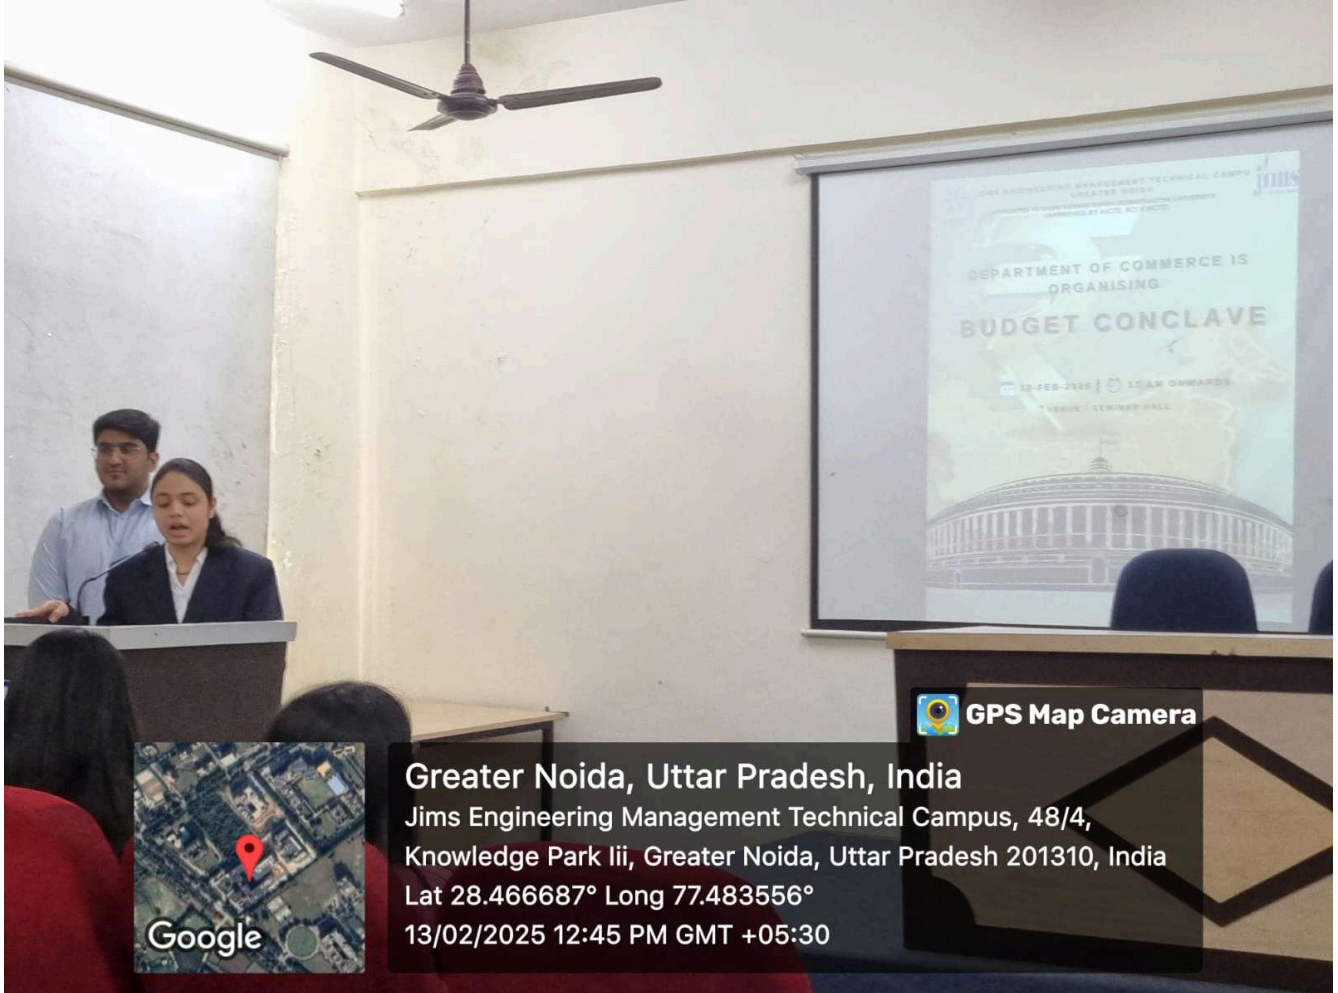

At the end of the conclave, the event concluded with a heartfelt vote of thanks delivered by Professor Anjali. She expressed gratitude to all the students, researchers, and faculty members who contributed to the success of the event.

Professor Anjali also recognized outstanding performances. The **Best Speaker** award was given to the speaker who delivered the most insightful and engaging presentation, showing deep knowledge of their assigned sector. The **Best Researcher** award was given to the student whose research and data analysis stood out the most. Lastly, the **Best Team** award was presented to the group whose collective work demonstrated exceptional collaboration and thoroughness in preparing their presentation.

The conclave was a remarkable learning experience for both the students and faculty, with insightful discussions on the 2025 Union Budget and its impact on various sectors. The event ended on a positive note with students feeling more informed and engaged with the current economic scenario.
