Place of Awareness Drive: Children Carnival at Boys Observation Home, Greater Noida

Date: 10th November, 2024

Time: 10am-2pm

Report

As part of our commitment to legal and social awareness, the Legal Aid Cell from the Department of Law JIMSEMTC organized a visit to the Government Boys Observation Home in Phase 2, Greater Noida. This center provides a rehabilitative environment for minors who have committed offenses or are under trial. The primary aim of the visit was to encourage positive development, skill-building, and a shift from a criminal mindset. The visit took a holistic approach, focusing on supporting the boys physically, emotionally, and mentally. The goal was to provide guidance that inspires positive change and helps reintegrate them into society as responsible individuals. The presence of esteemed guests, including Mr. Avnish Saxena, District & Sessions Judge, and Mrs. Richa Upadhyay, Secretary DLSA, highlighted the importance of rehabilitation for these young individuals.

Image-Juveniles being addressed to inculcate positive changes in their lifestyle.
