

## Department of Law

### Social Activity

Place of Awareness Drive: Awareness drive for making and updating (Proof of Identity), Gulistanpur Village

Date:13/07/2024

Time:11am-2pm

#### Report

On 13/07/24, an awareness drive was conducted by Department of Law JIMSEMTC in Gulistanpur village with the primary objective of gathering data from all households to facilitate the issuance of Aadhaar cards, PAN cards, and other essential documents. This initiative aimed to ensure that all residents are properly documented and can access necessary services. The Legal Aid Society, along with participating interns, played a key role in supporting the documentation efforts, highlighting the practical value of legal education and community engagement. The team, which included volunteers and legal experts, engaged with villagers to explain the purpose of the drive. Data was collected regarding requests for new or updated documents such as Aadhaar, PAN, ration, and labor cards. Many residents sought updates due to expired cards, relocations, or family changes.
