Report

Lok Adalat is an alternative dispute resolution mechanism where disputes or cases pending in court or at the pre-litigation stage are settled amicably. It has statutory status under the Legal Services Authorities Act, 1987. The Department of Law JIMSEMTC, Greater Noida, participated in an awareness drive regarding the National Lok Adalat, initiated by the District Legal Services Authority Gautam Buddha Nagar. The drive took place at Tugalpur, Surajpur, Greater Noida, where our department's registered DLSA Gautam Buddha Nagar Para-Legal Volunteers (PLVs) distributed pamphlets about the upcoming National Lok Adalat, scheduled for 9th March 2024, at Surajpur District Court. In addition to distributing pamphlets, our PLVs educated the locals about the functioning and purpose of Lok Adalat, emphasizing its role in providing fast resolutions for petty offenses. The drive was a great success, effectively spreading awareness to those in need.
