

Department: CSE

Name of the event: OPERATION: THE HIGH TABLE PROTOCOL

Date : 16-02-2026

Report: The Department of Computer Science and Engineering, in collaboration with the Cyber Surge Society, successfully organized a cybersecurity-themed technical event titled “OPERATION: THE HIGH TABLE PROTOCOL” on 16th February 2026 at JIMS Engineering Management Technical Campus, Greater Noida. The event followed a mission-based and story-driven format inspired by cryptographic operations and intelligence protocols. Participants were introduced to an encrypted mission brief and were required to solve a series of logically structured challenges involving code-breaking, QR-based clues, and analytical reasoning. The immersive design of the event encouraged active participation and real-time decision-making while maintaining discipline and fair play.
