Place of Awareness Drive: Raising Awareness about Children's Health, Primary School at Gulistanpur

Date:02/05/2024

Time:10am-12pm

Report

As part of an awareness drive on raising awareness about children's health, BA LLB 2nd-semester students from the Department of Law JIMSEMTC, visited Government Primary School, Gulistanpur. The event was organized under the guidance of HOD Dr. Pallavi Gupta, Faculty In-Charge Rahman Sir, and Richa Ma'am. The students focused on the primary objectives of World Health Day, aiming to educate and create awareness about hygiene practices and the importance of health. They discussed personal hygiene, including handwashing, dental care, and cleanliness, as well as the significance of good health through proper nutrition, exercise, and regular check-ups. Separate classes were held for boys and girls to address sensitive topics, such as menstruation for girls and hygiene habits for boys. The children actively participated, asking questions and showing enthusiasm. The visit was a fulfilling experience, promoting cleanliness, good health, and informed decision-making among the students.

Law Students are taking sessions with school Children about the importance of personal hygiene, including handwashing, dental care, and cleanliness.
