Report: On Rangoli event

On February 11, 2025, the B.Ed department of JIMS Engineering Management Technical Campus organized a rangoli event .The session began with 5 different groups having different number of students. All the group started making rangoli with team work and zeal .

The event conducted under the supervision of our faculty teacher Dr Reema Agarwal mam . The students were fully energetic and enthusiastic.the event was successfully completed with brilliant participation by students. When the students finished making rangoli then our HOD. Professor Dr Rekha Mahajan mam was invited to see the rangoli made by students. All the students get the appreciation which they deserve

The session was insightful and well-received, providing practical tools and inspiration for the attendees to apply in both their personal and professional lives. The event fostered an enriching learning experience for everyone present.

Conclusion: The Rangoli event was a valuable experience, offering practical strategies and insights. It inspired both faculty and students to embrace self-awareness and positive thinking in their personal and professional lives.
