<b>Organizing Department</b>	AIML, AIDS and CST	<b>Organizing Student club/Society/Committee if any</b>	Catalyst Gen AI, Swaroop, and FlexFit
<b>Report prepared by:</b>	Isha Munjal	<b>Report date:</b>	28 <sup>th</sup> Jan 2026

The Departments of AIML, AIDS, and CST organized a fun “Tri Force Challenge” on 22nd January 2026 at JEMTEC. It was a unique and innovative integrated event bringing together the **Technical, Sports, and Cultural Clubs** - Catalyst Gen AI, Swaroop, and FlexFit. The objective of this event was to encourage holistic development among students by testing their **physical fitness, technical knowledge, logical thinking, creativity, and cultural awareness**. The event was designed to reflect the spirit of *Republic Day*, promoting unity, discipline, and intellectual growth.

## Key Highlights of the Event:

### Purpose

The purpose of organizing the Tri Force Challenge was to create an engaging, intellectually stimulating, and collaborative activity that combined fitness, creativity, and technical thinking.

- To promote physical fitness and sportsmanship among students
- To enhance logical thinking and problem-solving skills through technical challenges
- To encourage creativity and artistic expression
- To integrate technical, physical, and cultural skills into a single competitive platform

# **JIMS ENGINEERING MANAGEMENT TECHNICAL CAMPUS – JEMTEC**

*(Affiliated to Guru Gobind Singh Indraprastha University, New Delhi)*  
Plot No. 48/4, Knowledge Park-III, Greater Noida, PIN-201308

- To instill patriotic values aligned with Republic Day celebrations

## **Target Audience**

The Tri Force Challenge was primarily targeted at students interested in sports, technology, and cultural activities. The event was designed for students who wished to challenge themselves physically, intellectually, and creatively. It also aimed to engage students who wanted to explore interdisciplinary activities beyond academics and participate in Republic Day–themed celebrations in an interactive manner.

## **Expected Outcome**

The expected outcomes of the Tri Force Challenge were as follows:

- To improve physical fitness and encourage a healthy and active lifestyle among students.
- To enhance logical reasoning and programming skills through hands-on problem-solving.
- To promote creativity and artistic expression through poster design.
- To foster teamwork, confidence, and competitive spirit.
- To instill patriotic values and awareness related to Republic Day.
- To encourage students to participate in integrated events combining multiple skill sets.
- Participants gained valuable experience in teamwork, time management, and multi-disciplinary problem-solving.

## **Marketing and promotion**

To ensure maximum participation and visibility, a multi-channel promotional strategy was implemented:

- Attractive posters were displayed across campus, highlighting the event's theme and details.
- Faculty and student coordinators spread the word through in-class announcements to directly engage the students.

# JIMS ENGINEERING MANAGEMENT TECHNICAL CAMPUS – JEMTEC

*(Affiliated to Guru Gobind Singh Indraprastha University, New Delhi)*  
Plot No. 48/4, Knowledge Park-III, Greater Noida, PIN-201308

- Reels, posters, and other content were created to generate excitement and curiosity. Event highlights and countdown posts were shared to maintain momentum.

This promotional mix created a strong buzz and ensured active participation.

## **Event Structure:**

The Tri Force Challenge consisted of **three competitive rounds**, each focusing on a different skill set:

### **Round 1: VICTORY X: Track full of challenges**

The first round tested the **physical endurance and fitness** of participants. Students were required to perform **75 push-ups and 75 squats** within a given time limit. This round emphasized discipline, stamina, and determination. Only participants who successfully met the criteria were qualified for the next round.

### **Round 2: THINK TANK: Solve the quiz and decode**

In the second round, qualified participants were provided with a **Python program** and were required to **dry-run the code manually**. This round assessed their understanding of programming logic, flow control, and analytical thinking. The output or final result of the code was a **statement or phrase related to Republic Day**, reinforcing the thematic relevance of the event

### **Round 3: ART FORCE: Show your creativity on the canvas**

The final round focused on creativity and cultural expression. Participants were instructed to design a poster based on the statement or phrase obtained in Round 2. This round tested artistic skills, creativity, message clarity, and the ability to visually represent patriotic themes such as democracy, unity, freedom, and national pride.

## **Event execution**

### **Key Highlights**

- 28 teams participated enthusiastically throughout the length of the event.
- Integration of sports, technical, and cultural activities in a single event.

# **JIMS ENGINEERING MANAGEMENT TECHNICAL CAMPUS – JEMTEC**

*(Affiliated to Guru Gobind Singh Indraprastha University, New Delhi)*  
Plot No. 48/4, Knowledge Park-III, Greater Noida, PIN-201308

- Teams
- Three-level competitive structure tests physical fitness, programming logic, and creativity
- Inclusion of a Python dry-run challenge to assess analytical and problem-solving skills
- Republic Day–themed outcome that connected technical logic with cultural expression
- Active participation and enthusiastic response from students across departments
- Promotion of teamwork, discipline, creativity, and patriotic values

## **Overview**

- The Tri Force Challenge was an integrated inter-club event organized by the college in association with the Technical, Sports, and Cultural Clubs.
- Designed as a three-round competition, the event aimed to test participants' physical endurance, technical proficiency, logical reasoning, and creative expression.
- Each round was carefully structured to align with the theme of Republic Day, ensuring a balanced blend of fitness, intellect, and culture.
- The event provided a dynamic platform for students to demonstrate versatility, adaptability, and enthusiasm while promoting holistic development and active participation.

## **Participation and Team Performance**

- Number of Teams: 28 teams
- Team Size: 4 members per team
- Total Participants: Approximately 112 students
- Winner: Tri Wizards - completed all challenges successfully.
- Runners-up: Boe Boe Zeoman secured second position
- Recognition: All winning teams received certificates of achievement with rewards.

## **Feedback and Evaluation**

### **Positive Responses**

- Students appreciated the innovative concept of integrating physical, technical, and cultural activities into a single event.
- Many participants found the multi-round format engaging and challenging, as it allowed them to explore different skill sets.

# JIMS ENGINEERING MANAGEMENT TECHNICAL CAMPUS – JEMTEC

(Affiliated to Guru Gobind Singh Indraprastha University, New Delhi)  
Plot No. 48/4, Knowledge Park-III, Greater Noida, PIN-201308

- The Republic Day theme was particularly well received, as it added meaning and relevance to the tasks.
- Faculty coordinators also commended the organization, time management, and active student participation throughout the event
- The Tri Force Challenge was successfully evaluated based on participant performance, engagement level, and achievement of event objectives.

## **Attendance and participation:**

Total attendance: 135

Number of participants: 112

## **Conclusion**

The Tri Force Challenge was a well-organized and impactful event that effectively integrated sports, technical, and cultural elements into a single platform. It not only celebrated the essence of *Republic Day* but also encouraged students to push their limits and explore diverse skill sets. The event successfully captured the essence of patriotism and fostered a sense of togetherness among participants. Such events play a crucial role in nurturing well-rounded individuals and fostering a vibrant campus culture.

The structured progression across three rounds ensured fair assessment of physical endurance, technical knowledge, logical reasoning, and creativity. The event met its intended goals of promoting holistic development and interdisciplinary learning. Overall, the smooth execution, enthusiastic participation, and positive outcomes indicate that the event was well-planned and effective, making it a valuable addition to the college's extracurricular initiatives.
