

## Department of Law

### Social Activity

Place of Awareness Drive: **Drive on the context of Vigilance Awareness Week at Damodar Valley Corporation, Delhi**

Date: 2<sup>nd</sup> November, 2023

Time: 10am-12pm

**Report:** On November 2nd, Department of Law JIMSEMTC organized a drive at Damodar Valley Corporation with 13 members from the Legal Aid Society. The event featured a play performed by students highlighting the harmful effects of corruption. We began by thanking the attending government officials for the opportunity to collaborate, then performed a skit that portrayed how corruption negatively impacts Mother India, depriving disadvantaged individuals of their rights and opportunities. The skit also highlighted corruption's detrimental effects on economic development by diverting resources from essential public services like healthcare, education, and infrastructure, ultimately hindering growth and perpetuating poverty.
