Place of Awareness Drive: Survey on social audit of reservation policy in India at Kasna Village

Date: 19th February, 2025 (Wednesday)

Time: 10am-1pm

Report

On 19th February 2025, the 2nd semester BA LLB students of Department of Law JIMSEMTC visited Kasna Village as part of their Sociology PSDA. The primary objective was to conduct a survey to understand the villagers' perspectives on reservations and related socio-legal issues, while also raising awareness about constitutional rights among primary school students. The first part of the visit focused on educating the children about the Constitution of India and their fundamental rights. The session highlighted the significance of the Constitution, citizens' rights and duties, and the role of law in ensuring justice and equality. Interactive discussions and activities, including storytelling and real-life examples, helped engage the children. The goal was to instill a sense of awareness and responsibility, encouraging them to grow into informed and responsible citizens.
