REPORT

the election awareness programme was organised by the students of Election law on 11th April 2022 in Nawada Village, Greater Noida, U.P. The students prepared few questions which were to be asked from the local residents so as to enlighten their election law knowledge. The Locals were well aware about the law's relation to election in India and their right to vote.

The Questions pertaining to Election Mechanism, the electors right to vote and the working of the government of that area were asked which were answered by the local residents. The residents were well aware of their rights and obligations. Also, the students of election law discussed with the local residents on how to apply for the Voter Id card online in case they do not possess it. We informed them the online as well the offline procedure to apply for the Voter Id Card. Further, they also asked questions and queries pertaining to the election in India. The students answered to all their doubts and queries in an appropriate manner. Overall the election campaign was a great success.
