BCA

The Guest Lecture on “App development using Python & Django” was organized by the BCA department. The session was delivered by Mr. Pankaj Mourya, from Shapemy Skills, Noida. Guest lecture was conducted offline in the Campus Premises in the BCA Department.

The session started at 11:15 AM and it was nearly 1 and 1/2 Hour long. Mr. Pankaj Mourya discussed App **development using Python & Django** in which he focused on Basics of Python and its applications in the industry. He discussed Django and gave knowledge about what makes a web framework special. He also told the prerequisites of the technology and the objective of this session is to gain familiarity with what Django is, what functionality it provides, and the main building blocks of a Django application. **The overall session was really beneficial for all the BCA students.**

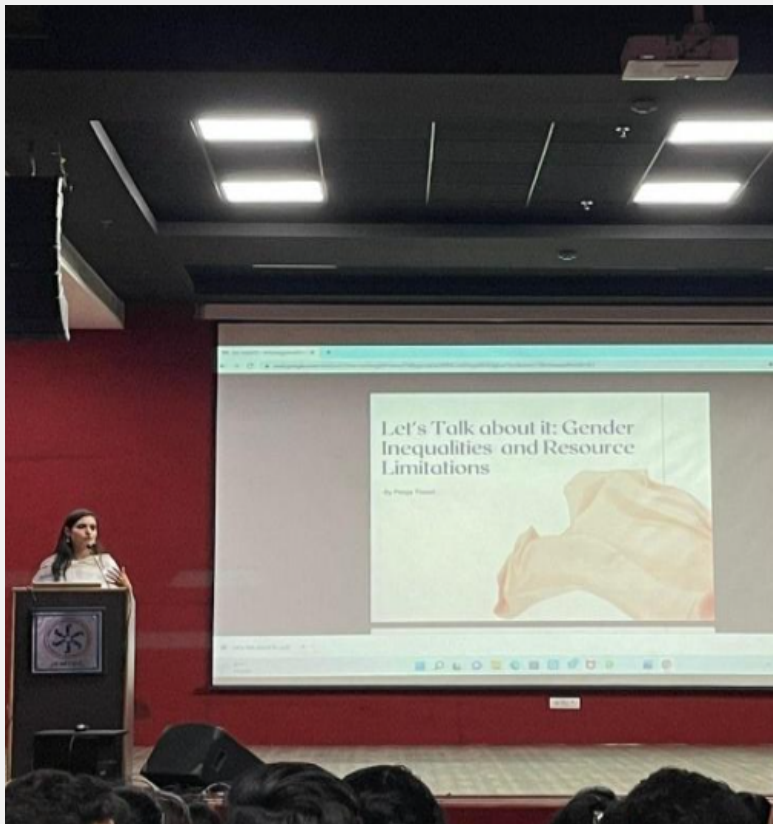

BCA

The Alumni Guest Lecture on "Roadmap to Data Analytics" was organized by the BCA department. The session was delivered by Mr. Arjun Sharma, Batch (2017-2020). Guest lecture was conducted offline in the BCA Department.

The session started at 11:15 AM and it was nearly 2 hours long. Mr. Arjun Sharma discussed **Roadmap to Data Analytics** in which he focused on SQL, Excel and Advanced excel and Python and R technologies. He has suggested that the students should have basic knowledge of the above said technologies. He discussed how these technologies are used in Data Analytics. He also discussed the importance of Projects and focused that every student should give more emphasis to the projects. He also emphasized precautions taken during Project Development. He motivated all the students to work hard and enjoy at the same time. The Students enjoyed the session. They interact and discuss different phases of Data Analytics.

LAW

"Women have talent and intelligence but due to social constraints and prejudices, it is still a long distance away from the goal of gender equality"- Pratibha Patil.

With this quote, the seminar was begun with full positivity by the eminent speaker, Ms. Pooja Tiwari. The session was moderated by Ms. Jahanvi bhati, senior member of LAS. She gave us all an insight of what gender inequality is, when it is celebrated and also introduced the speaker to the audience. With this she also called upon the stage, our honorable HOD, prof Dr. Pallavi gupta ma'am, and she also explained what is gender inequality and why girl child is important and how oneself should not discriminate between a girl and boy.

And then a video was played which was created by legal aid female members, the video showcases the problems girls face in their day-to-day life.

The speaker used a powerpoint presentation to explain some keynotes which were very beneficial.

LAW

"JEMTEC School of Law, affiliated to GGSIP University New Delhi, has organized workshop on FOREX Trading. Students of 3rd year were engaged in the training session and took insights from the productive sessions.

This session was conducted by faculty coordinators Dr. Shishma Kushwaha , Mrs. Tanvi Sharma and Mr. Mudit Rohilla of JEMTEC School of Law.

The speakers of the workshop spoke about the foreign trading share market. They threw some light on how to trade in FOREX i.e. foreign share market and its live working. The main speaker for the session was Mr. Shubham Kumar, Senior facilitator in Tradography Service Private Limited. Dr. A.K Tyagi Sir welcomed the chief guests and speakers of the workshop and Dr. Shishma Kushwaha Mam gave her welcome speech.

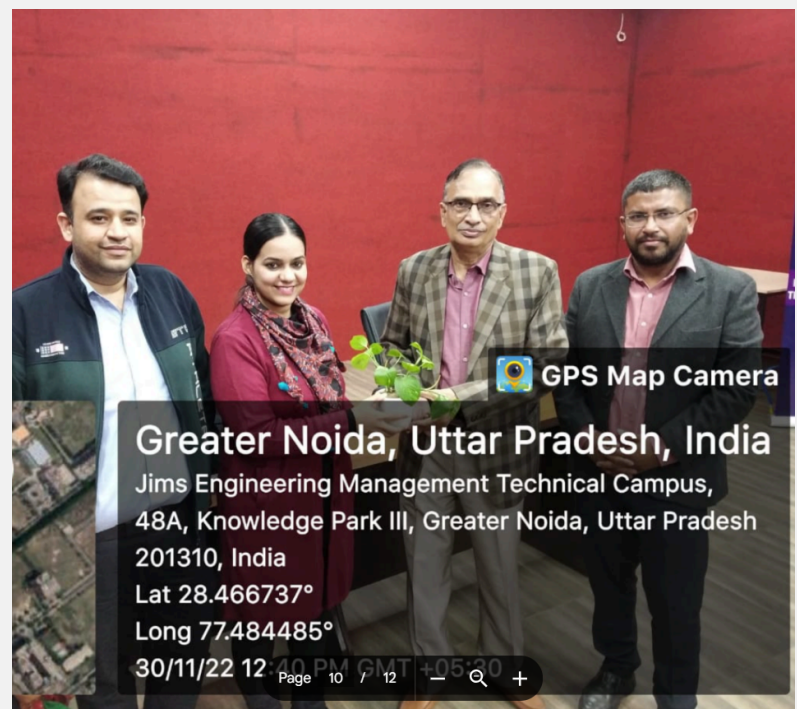

Several new concepts related to the Share market were taught. Some new technical words which are used into market while doing trading were introduced to students. About Candle stick bar and how to see this graph, these techniques were told by eminent speakers.

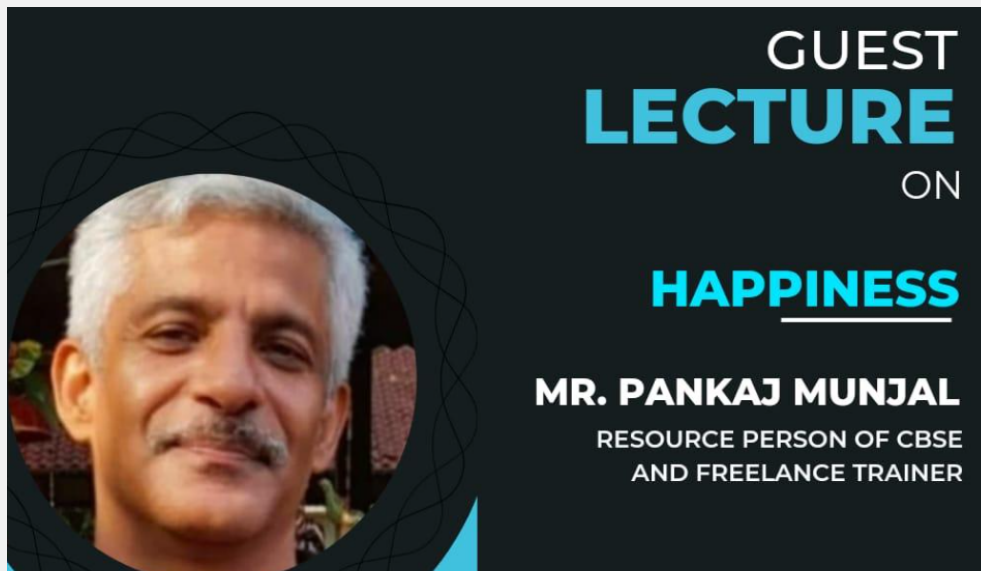

BBA department of JEMTEC, Greater Noida organised a workshop on Nov 30th, 2022 Wednesday from 11:00 AM onwards on the topic "How to be safe and secure in Share/Investment Market". The talk was delivered by Mr. Suryakant Sharma, Senior Consultant AMFI, Ex DGM SEBI.

Mr. Sharma initiated the talk with basic understanding of the term like financial freedom, savings, mutual funds, investment. Further he suggested students to read the books related to investment, join short term courses that are available on various online platforms and having positive mindset to review and plan the things strategically. In addition to this, he discussed various mantras that will help them to diversify the portfolio, minimise the risk and become the smart investor.

He also elaborated the benefits of start investing at early age. He concluded the session by motivating the students to set financial goals, take ownership of their goals and become financially free.
