Ms. Shilpa Sharma

Dear Sir/Ma'am

As you are aware JEMTEC Greater Noida has been able to stay on top of academic ranking in the University by virtue of adherence to the quality bench marks of academic discipline. In order that we sustain this momentum and continue to stay ahead of our competing institutions, it is essential that we pay the highest attention to the observance of quality benchmarks of academic delivery in the class room. Faculty Feedback is one method of verifying how far we have been able to touch the heights of excellence in academic delivery, That is why we at JIMS have always laid the greatest emphasis on faculty feedback.

As you are aware we have the following measures of evaluation of the performance of the faculty in the class room.

- 1) 80% and above - Star Achievers
- 2) 60% to 79% - High Achievers
- 3) Below 60% - Low Achievers

Based on the faculty feedback survey carried out in the current semester, you have been rated as a High achiever in **Web Based Programming** with **91%** of the feedback from the students.

As a high achiever, your efforts are very well appreciated and the institution expects you to continue to maintain this standard in the future as well.
