ABOUT CAMPUS

JIMS Engineering Management Technical Campus (JIMTEC) is affiliated to GGSU and approved by statutory bodies like AICTE, BCI AND NCTE. We offer under graduate courses B.Tech, BBA, MASS COM, B.Com, BALLB, B.SLLB, BCA and BEd. With more than 25 yrs of experience behind the brand we provide our students the best both in terms of knowledge and experience.

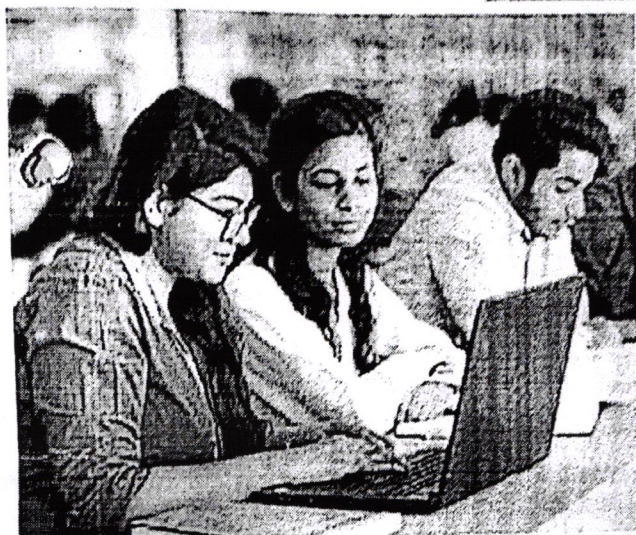

Our institute is located at the very heart of Knowledge Park-III with excellent connectivity to the nearest metro station. The college also provides transport services to cater to the commuting needs of all our students from different parts of Delhi and NCR. The institute provides a very supportive and dynamic learning environment to cater to the ever changing needs of the globalized world. The Institute strives hard to provide an enriching environment with all modern technologies. At the end of the course our students are well equipped to face the world as industry professionals and entrepreneurs with full drive ready to add value to the business they choose to pursue further.

INFRASTRUCTURE

JEMTECH campus has lush and green surroundings providing excellent facilities for both in door and out door activities. The campus boasts of a state of art infrastructure with fully air-conditioned spacious and well-enabled classrooms. The institute provides hi-tech machines and computer labs for both study and research purposes. Our computer labs are modernized with excellent systems that run on Windows & Windows 10 and Linux platforms with high quality softwares. Education including engineering and technology has its own well resourced lab with machinery tools and accessories that enable our students for experiential learning. We have a well equipped mass communication lab for their purposeful training to our students. Our library is well stocked to support and facilitate teaching learning and research. It is well stocked with all required books and e-books available online and is regularly updated as per the changing requirements of the courses we offer.
