## Any Suggestion

There is so much formality the students have to do to take any of the documents which is very difficult like I have to take my consolidated marksheet and provisional certificate so they ask me to fill a google form without which they are not providing me the documents and also formality is not easy that student can fill the form easily they have to visit to each and every department to take their sign and stamp. So make this easy for every student and some of the faculty have not proper guidance when I asked that what is the procedure to issue migration certificate. I am from Rohini and I literally come Noida 4-5 times only for migration certificate because of not proper guidance of the staff

## Any Suggestion

I will advise to give 5th year students a little relaxation and support for internships. I missed one of the most important internships which could have turned out to be a great learning experience because of the same.

## Any Suggestion

College placements are essential for any student in order to gain the right skills and knowledge to be successful in the professional world. For students pursuing a course in Bachelor of Journalism and Mass Communication (BJMC), placements can be extremely beneficial in helping them hone their communication and writing skills and understand the media industry. This is why it is essential for students of BJMC to have college placements to gain the right experience to kick start their career.
